# Cross-Borders Children's Action Network

## **Purpose**

The Cross-Borders Children's Action Network will collaborate and share information to address children's needs that result from experiencing abuse, neglect, and exposure to violence.

## **Vision**

The Cross-Border's CAN will unify our community's focus on the maltreatment of our children.

## **Values**

We will fulfill our purpose through child-centered and community-focused collaboration.

# Cross-Borders Children's Action Network

## Goals

- Services and supports to children who are physically and sexually abused, neglected, or are exposed to violence will be coordinated.
- Prevention efforts to eliminate violence from the lives of the community's children will be created and utilized.
- A coordinated child abuse community education campaign will be implemented.
